For Immediate Release: Join Candlelighters Childhood Cancer Foundation of Nevada, the CASA Foundation, the Children's Heart Foundation, Nathan Adelson Hospice, and Ronald McDonald House Charities of Greater Las Vegas for a morning of family fun, entertainment and cake as we celebrate the Las Vegas launch of the Peter Pan Birthday Club. "This is a wonderful opportunity to teach our children how they can have fun and give back to their community at the same time!" says Melissa Cipriano, Executive Director of Candlelighters.

Teenager Sydney Herron, a Las Vegas cancer survivor who just celebrated her 18th birthday last week, said, "Instead of having my friends bring gifts I really didn't need to my party this year, I asked them to make an online donation to my favorite charity through the Peter Pan Birthday Club. It made my birthday even more special because I knew I was helping other kids who are less fortunate than I am."

The very first Peter Pan Birthday Party was held 20 years ago in England, when Julia Hart, the daughter of "Hook" screenwriter Jim Hart, decided the only gift she wanted for her 10th birthday was to help other children in need. Today, the Peter Pan Birthday Club has grown to include thousands of children from around the world.

The Peter Pan Birthday Club is an official program of the Peter Pan Childrens Fund. For more information or to register to have your own Peter Pan Birthday Party, visit www.peterpanchildrensfund.org.
